ALONE IN BETHEL ON THANKSGIVING?

Are you going to be alone in Bethel on Thanksgiving? No family or friends to go to, nor coming to be with you? If so, you are invited to a Thanksgiving Dinner "That Can't Be Beat" at the Congregational Church (West Parish) on Church St., next to Gould Academy on Thanksgiving Day at 12 noon. If you will be coming, please call 824-2653 or 824-2689 if possible and let us know; we want to be adequately prepared. We'll be preparing the dinner on Wednesday evening, Nov. 22, at 8 p. m. and on Thursday morning at 10 o'clock following. If you want to share and enjoy the "commotion of getting ready" that always seems to be part of a holiday celebration dinner, just come to the church on Wednesday evening and/or Thursday morning. We'd be privileged to have your presence and help.

Mr. and Mrs. Earlon Paine have returned from a vacation in Hawaii.

Mrs. Carolyn Brooks and Miss Jeri Brooks visited relatives in Massachusetts on the week end. Mrs. Ann Davis visited her son, Tom, in Bangor recently. Tom was recently host on "The Open Door" TV program on channel 5. Mrs. Davis (Mary) was soloist on the program. Mr. and Mrs. Davis are ministers of music at Columbia Street Baptist Church, Bangor.

HOMEcoming THEME FOR BETHEL WINTER CARNIVAL

A mid-February '79 Bethel area winter carnival will climax on the week end of Feb. 23 and 24 according to a planning group which met last Friday for a series of planning meetings. The carnival is scheduled for Friday, Nov. 17 at Don Bennett's home, Mayville.

The concept for this year's carnival is twofold: first there will be competitive winter sports and activities such as, hopefully, an ice fishing derby taking place during the two weeks prior to a week end finale; secondly, for the finale a carnival queen or king and queen will be crowned to preside at various awards ceremonies recognizing winners in sporting events and snow sculpture. Other events on the finale week end may include supper, a carnival ball, a comic event such as either a baseball game or firemen's muster on snowshoes, and a torchlight parade. Final alternate dates are March 2 and 3.

The theme for all events and judging is Homecoming—symbols of a traditional winter vacation.

The Chamber of Commerce will act as carnival coordinator and will handle publicity as well as be responsible for the coronation of a royal couple or queen. Others attending the first meeting were representatives of the Bethel Lions Club, Sunday River Skiway and Sunday River Ski Touring Center. For later meetings those present will contact the following groups with invitations to join in the planning: Bethel Snow Twisters, Shrine Clowns, Legion, Rotary, Historical Society, Fire Department, Odd Fellows, Gould Academy, the churches, Mt. Abram Ski Slopes and ice fishermen.

TELSTAR FALL SPORTS SURVEY DISTRIBUTED

In order to plan ahead for next year's fall sports program, the principals and athletic director at Telstar distributed forms to all M. S. A. D. #44 in grades five through 11 on Wednesday and Thursday of this week. The survey forms require the parent's signature in all cases where a student indicates an interest in participating in one of the three sports that may be offered at Telstar schools in the fall of 1979.

The Extra Curriculum Committee of the M. S. A. D. #44 Board of Directors and the Superintendent will review the data gathered in the survey to help decide which sports to offer in the fall of 1979. The fall sports under consideration are football, soccer and cross country. If you are interested in having your son participate in one of these sports at either the middle school or high school, please make certain that you sign a fall sports survey form. These forms must be returned to the school the student attends by Monday, Nov. 20, 1978.

The Citizen will be published on Wednesday of next week, due to the Thanksgiving Holiday. Material for publication must be received one day earlier than customary.

MUNDT-ALLEN A. L. TO HOST COUNTY COUNCIL NOV. 21

The American Legion Oxford County Council will be hosted by Mundt-Allen Post and Auxiliary, #81, at the Post Home, Bethel, the evening of Tuesday, Nov. 21. A 6:30 chop suey supper will be followed by County meetings and recognition of several local, county and district dignitaries.

Special guest and speaker will be the 1976-77 National Commander of the American Legion, Bill Rogers of Kennebunk. Mr. Rogers, a member of New Auburn Post #153, Auburn, since 1948, is the first Maine Legionnaire to be elected head of the world's largest veterans organization and the Oxford County Council is deeply honored to welcome him on this occasion.

A native of Auburn, Rogers served on active duty as a U. S. Navy aviator during World War II and has continued to be a member of the Navy Inactive Reserve. Prior to his election as National Commander, he held active positions in his Post and at the County, District, State and National levels as well as serving as National Vice Commander and as a member of the National Commander's Advisory Committee.

COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Board of Selectmen met Monday evening, Nov. 13, and acted on a varied agenda. A building license for the American Legion was approved for the period December '78 through May '79 and the fifth invoice from Dubois & King, Inc., in the amount of \$4,973.41 for the sewer planning project was approved.

Betty Woodbury and Joyce Crockett representing the West Bethel Children's Center met with the Board to discuss the construction of a 6'x8' storage shed at the Center. It was indicated that the parents of South Hill, Health Education Resource Council Chairperson, will be in the cafeteria getting information on the content of the health curriculum.

The Open House is a great opportunity for parents to meet the faculty at Telstar, to tour the school building, and to get their sons' and daughters' rank cards. Please make a special effort to attend this evening.

Twice during the evening, at 7:30 and 8:00, Mrs. Kathy Guinness, School Counselor, will give a presentation on college application procedures in the school library. Also, throughout the evening, Mrs. Joan Wirth, Health Education Resource Council Chairperson, will be in the cafeteria getting information on the content of the health curriculum.

BLOOD DONORS CLINIC HAS 120 PINT QUOTA

The Bethel Area Blood Donors Clinic has been given a quota of 120 pints. As some former participants are no longer able to donate due to health problems, it is imperative that new ones be found.

The clinic will be held at Gould Academy in Bangor, Monday, Nov. 20, 1 to 7 p. m. A call to Pearlline McMillin, 824-2500 will enable the donor to be scheduled at a specific time. However, any walk-ins will be very welcome. A baby sitting service is provided. Please, if you can give, do give. To some one it will be a matter of life or death.

REGIONALLY UNIQUE EXHIBIT SERIES STARTED

As part of its wood industry promotion, the Greater Bethel Chamber of Commerce has initiated a program of local manufacturers taht is unique within this area of Maine and New Hampshire. The first exhibitor is the S. Timberlake Co. which makes furniture in the Early American style, specializing in Shaker reproductions. Beside illustrations of the company's product line, the display shows steps in the production process.

The exhibit area and concept is patterned after similar types of displays used by the Maine Publicity Bureau and, in foreign countries, by the U. S. Information Agency. Location of the display in the Bethel Town Office is designed to attract more than retail shopper interest, aiming at potential wholesalers and representatives of prospective new businesses interested in Bethel.

November is riding her broomstick down dusky skies but as yet her breath which is usually harsh has been gentle. What a lovely two weeks we have had!

Until the hunting season is over, I shall not walk the woodland trails. So when I go out I follow the main highway. Even here there are things to notice. The coarse bladed grasses bend low over pools and mossy hummocks.

I have discovered two robins mud-caked nests near home, which I tried to find during the summer. Everywhere along the way, there are old friends among the trees, special plants which I visit at different seasons.

There is one section of the road that I think of in winter as the refrigerator. Here the wind blows cold. Big clouds white and billowy can quickly turn dark and threatening and speed before its chill-blast trailing their skirts over the far off mountain tops. I have seen a cloud move up and hide the sun, then the very same hills which had seemed so kind, were suddenly lonely and formidable, and the wind suddenly chill. Here it's coolest in summer, too.

On the rocks and ridges above the road there were masses of Christmas ferns. They retain their fronds all during winter, and are glossy green.

Beyond, a cloud, white and fluffy as eiderdown, sailed across the sky, trailing a gray shadow across the ridges.

A chipmunk, not yet gone to his winter home, scurried over the leaf carpet of the woodland floor. It's a beautiful country even in its bareness. The valley displayed its little rounded hills, green and friendly. The tall stately trees, were graceful in their tracery of bare boughs. Jagged rocks stuck out through the thin skin of the earth.

November has a peculiar quality of light especially late afternoon. Somehow the hills across the valley seem close and distinct. Bare trees stand against sky like detailed etchings. Stary Ross Bartlett describes it perfectly in his poem "November Evenings".

"The eve is an etching of intricate tree tops
Of bird nests in branches, a black and white scene
Of shadows and highlights with stars that are quiet,
And pane-sheltered fires. The eve is an etching
Of November heavens, Of house-tops and chimneys
And silent smoke lyres."

At day's end the sky was luminous—pale primrose and orange near the horizon, and lilac over head with reflections in the pond. But the land was dark with the coming night and the trees stood out against the colors, black as charcoal. A beautiful ending.

The bottles will be picked up on Saturday for the Woodstock Ways and Means committee.

On Thursday Ann Holt took her mother, Fay, to Boston to see the eye specialist. While there they called on Gladys Homans who used to live here in town.

We called on Carl and Lettie Brooks on Sunday afternoon in West Paris.

On Friday Ann Holt entertained Ruth Hastings, Rena Bacon, Fay Holt and me for dinner at her home in Bethel. Ruth was the special guest as it was her birthday.

Glenn and Rachel Hayes and boys were at the Hayes Homestead Friday and Saturday and did some hunting. They returned to Gray on Sunday. Other visitors on Saturday were Mr. and Mrs. Duane Hayes and children of West Paris and Ardell Hayes of Auburn.

Mr. and Mrs. Ralph Leeper of Rhode Island were at their cottage here over the long week end. Frank and Dorothy Curtis visited them for the evening on Sunday. Dorothy Curtis was in Lewiston on Friday to do some shopping. Mr. and Mrs. Frank Curtis had as visitors this week Walter Curtis

— Mrs. Colista Morgan, Corres. —

November is riding her broomstick down dusky skies but as yet her breath which is usually harsh has been gentle. What a lovely two weeks we have had!

Until the hunting season is over, I shall not walk the woodland trails. So when I go out I follow the main highway. Even here there are things to notice. The coarse bladed grasses bend low over pools and mossy hummocks.

I have discovered two robins mud-caked nests near home, which I tried to find during the summer. Everywhere along the way, there are old friends among the trees, special plants which I visit at different seasons.

There is one section of the road that I think of in winter as the refrigerator. Here the wind blows cold. Big clouds white and billowy can quickly turn dark and threatening and speed before its chill-blast trailing their skirts over the far off mountain tops. I have seen a cloud move up and hide the sun, then the very same hills which had seemed so kind, were suddenly lonely and formidable, and the wind suddenly chill. Here it's coolest in summer, too.

On the rocks and ridges above the road there were masses of Christmas ferns. They retain their fronds all during winter, and are glossy green.

Beyond, a cloud, white and fluffy as eiderdown, sailed across the sky, trailing a gray shadow across the ridges.

A chipmunk, not yet gone to his winter home, scurried over the leaf carpet of the woodland floor. It's a beautiful country even in its bareness. The valley displayed its little rounded hills, green and friendly. The tall stately trees, were graceful in their tracery of bare boughs. Jagged rocks stuck out through the thin skin of the earth.

November has a peculiar quality of light especially late afternoon. Somehow the hills across the valley seem close and distinct. Bare trees stand against sky like detailed etchings. Stary Ross Bartlett describes it perfectly in his poem "November Evenings".

"The eve is an etching of intricate tree tops
Of bird nests in branches, a black and white scene
Of shadows and highlights with stars that are quiet,
And pane-sheltered fires. The eve is an etching
Of November heavens, Of house-tops and chimneys
And silent smoke lyres."

At day's end the sky was luminous—pale primrose and orange near the horizon, and lilac over head with reflections in the pond. But the land was dark with the coming night and the trees stood out against the colors, black as charcoal. A beautiful ending.

The bottles will be picked up on Saturday for the Woodstock Ways and Means committee.

On Thursday Ann Holt took her mother, Fay, to Boston to see the eye specialist. While there they called on Gladys Homans who used to live here in town.

We called on Carl and Lettie Brooks on Sunday afternoon in West Paris.

On Friday Ann Holt entertained Ruth Hastings, Rena Bacon, Fay Holt and me for dinner at her home in Bethel. Ruth was the special guest as it was her birthday.

Glenn and Rachel Hayes and boys were at the Hayes Homestead Friday and Saturday and did some hunting. They returned to Gray on Sunday. Other visitors on Saturday were Mr. and Mrs. Duane Hayes and children of West Paris and Ardell Hayes of Auburn.

Mr. and Mrs. Ralph Leeper of Rhode Island were at their cottage here over the long week end. Frank and Dorothy Curtis visited them for the evening on Sunday. Dorothy Curtis was in Lewiston on Friday to do some shopping. Mr. and Mrs. Frank Curtis had as visitors this week Walter Curtis

MR. AND MRS. ROWE HONORED AT 45TH ANNIVERSARY PARTY

Mr. and Mrs. Herbert Rowe were guests of honor at a family party celebrating their 45th wedding anniversary Thursday evening, Nov. 9 at their apartment in Sudbury Village, Bethel.

An anniversary cake was made and decorated by their daughter, Margery Swan, Locke Mills, and an anniversary birthday cake was made and decorated by Mrs. Rowe's sister, Mrs. Elsie Davis, Bethel.

Two lovely fall centerpieces were received from Mr. and Mrs. Joseph Perry, Bethel, and Mr. and Mrs. Bob Griffin, Bridgton.

During the day many friends brought anniversary cards and about 60 cards were received in the mail from friends and relatives.

In the evening a poem, written by Mrs. Julie Day, was read and enjoyed, recapping the couple's 45 years of marriage. Cake, ice cream and punch were enjoyed by Mr. and Mrs. Franklin Chapman, Jack Chapman, Mr. and Mrs. Joseph Perry, Mrs. Elsie Davis, Mr. and Mrs. Harry Swan Jr., Bruce, Jeff and Todd Swan.

The Rowe's were married in Bethel, Nov. 9, 1933 by the Rev. L. A. Edwards and have lived in Bethel most of their married life.

CHRISTIAN SCIENTISTS OFFER THANKSGIVING SERVICE

Members of First Church of Christ Scientist, Bethel, N. H., have scheduled their annual Thanksgiving service for Thursday, Nov. 23 at 11 a. m. The service, open to the public, will be held in the church edifice at the corner of Main and Tenth streets.

The hour-long meeting includes Scriptural readings and hymns of thanksgiving, as well as excerpts on the topic of gratitude from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy.

The readings this year include passages from Psalms: "I will praise the name of God with a song, and will magnify Him with thanksgiving.... He healeth the broken in heart, and bindeth up their wounds."

And from Science and Health: "Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech."

Following the readings, time has been set aside for Christian Scientists to share their gratitude for God's goodness and love.

Stuart and Ann Hull, who are serving a term as the congregational Readers, will conduct the service which also includes President Jimmy Carter's Thanksgiving Proclamation. David Thompson will play an organ solo, Prayer of Thanksgiving.

Care will be provided for young children and no collection will be taken.

Letters to the Editor

Western Avenue

South Paris

Nov. 10, 1978

To the Editor:

I would like to thank all the voters who supported me in my campaign for election to the District 5 State Senate seat. As your senator in Augusta, I promise to represent, to the best of my ability all the people in the district. The results of my pre-election survey have shown me what some of your concerns are and I will express those concerns on the State level.

In order for me to better communicate with you, a number of citizens have agreed to act as Sutton representatives in every major town in the district. If you are unable to contact me directly, please get in touch with one of my representatives: Bill Conroy, Gilead; Al Barth, Bethel; Joyce Hathaway, Greenwood; or Evelyn Bean, Woodstock. They will see that your ideas get to me for prompt action.

Remember, representative government can only be as effective as individuals are willing to make it. Please support all your local state and federal representatives and let them know how you feel on all the issues.

Thanks again for your support. Sincerely,
Roland L. Sutton
Senator, District 5

TOWN MANAGER'S COMMENTS

continued from Page One
or where income other than taxes
fell short of estimates.

The Board again reviewed the
State Department of Transportation's
preliminary decision regarding
railroad crossing improvements
in West Bethel. This decision will
include: (1) the upgrade of the
Ferry Grade Crossing with gates
and signals, (2) the closing of the
cemetery crossing, and (3) the re-

maining of the Smith Crossing with
signals. As the Town originally re-
quested that the Smith Crossing be
discontinued, we were extremely
disappointed that in keeping the
crossing open, the state did not
include improvements to the cross-

ing and improvements to the road's
intersection with U. S.
Route #2. The manager indicated
that the Canadian National Rail-
road was not pleased with the de-

cision regarding the Smith Cross-
ing, however, they did not plan
to appeal the State's decision. Af-
ter discussion, the Board directed
the manager to notify the State
Department of Transportation that
the Town would abide by the State's
decisions but that we expect the
State's assistance in upgrading the
Smith Crossing and the approach
to Rt. 2 from the Smith Crossing.

Copies of this letter are to be
sent to our local state representa-
tive and senator together with a
history of the program.

The manager reported that he
and Selectman Arlan Jordrey vis-
ited and inspected the Town
Farm on Saturday, Nov. 11, and
found the structure to be in poor
condition. After discussion the
Board reaffirmed its present pri-
ority of locating other living ar-
rangements for the present tenant.

The Board accepted with regret
the resignation of Summer Burgess
as a Trustee of the Water District
effective Dec. 31, 1978, and direct-
ed that a letter of appreciation be
sent to Mr. Burgess. Any individ-
ual interested in serving as a
Trustee should contact the Town
Office. Such appointment would
be for the remaining two years of
a three year term which expires
in December of 1980.

The Board of Selectmen held a
special meeting last Thursday ev-
ening, Nov. 9, to discuss Dubois
& King's preliminary findings re-
garding improvement needs of our
sewer system and treatment plant.

Various options were discussed and
it was decided that the manager
and Selectmen should visit two
small plants in Vermont which
have treatment processes similar
to what Dubois & King recom-

mending for Bethel. The manager
was directed to arrange for this
visit during the week after
Thanksgiving.

In upcoming meetings, the Se-
lectmen will meet Monday, Nov.
20, to discuss future facilities
needs for municipal department
and offices, the Assessors will
meet Monday evening, Nov. 27,
and the Selectmen will meet Mon-
day, Dec. 4. As part of their meet-

ing on Dec. 4 the Board will visit
the West Bethel Children's Cen-

ter.

Real Estate
by PAT EARLY, REALTOR

The Offer to Buy

You are selling your home. A prospect inspects it, likes it, and decides to make an offer. You can depend on human nature. He will try to have you accept an offer lower than your asking price. Now what? First of all, if you are going to even consider an offer, it must be in writing and signed. It must have a definite time limit, and it should be accompanied by a respectable amount of the buyer's money as an indication of his sincerity. The specific amount will depend on the value of your home, the mortgage market and the buyer's financial condition. Respect your Realtor's advice on this subject.

Once these elements are fulfilled, it's up to you to either accept his lower offer, reject it outright, or make a counter offer to sell somewhere between the two. Just remember, if it's not in writing and accompanied by a reasonable amount of money—taking your house off the market would be poor judgment.

If there is anything we can do to help you in the field of real estate, please phone or drop in at EARLY REAL ESTATE, 60 Main St., Bethel. Phone: 824-2122, 824-2579. We're here to help!

ANDOVER SELECTMEN MET TUESDAY, NOV. 7

The Andover Board of Selectmen met in a brief session Tuesday evening, Nov. 7.

Trees will be removed in the near future and people have been asked to clean up the trees on their property to help defray costs—which will save the town about \$800. Arrangements have been made with property owners to do this. There are two trees at the Woodlawn Cemetery to be removed. Anyone wishing these for the firewood they will provide should contact one of the Selectmen. These will be offered on a first come, first served basis.

The Board accepted the resignation of GEPA worker Walter Isgrig who along with Paula Putnam has been gathering information about property in Andover. Mrs. Putnam will continue her work as Assessors Assistant gathering data to be used by the Assessors in setting values next year.

Plans for the forthcoming 175th Anniversary of the Town are continuing. Mrs. Jane Rich is attempting to get a committee together to work on the celebration. Mrs. Rich hopes to get several of the young married couples and other young people in town to work on this committee and present the celebration to the older members of the community as a gift and thank you for the many good times they have provided us in the past such as the Heritage Day Celebration of 1975 and the Bicentennial Celebration of 1976.

Offensive Player award was Bernie Ritter, who was named to the All-State Class C Team. The Most Improved Player award went to Tyler Winter. David Morang was elected captain for the 1979 season.

Dorothy Abbott and Annie Olson are at their homes after being in the hospital.

WEST BETHEL CHILDREN'S CENTER

Hello again from all of us at the West Bethel Children's Center. As usual we are having a very busy week here and lots of fun too. This week is "Indian Week." We are making Indian headbands, canoes. We're reading stories about Indians and singing Indian songs. We are also drawing family portraits and making silhouettes of ourselves. This week the monthly parent meeting was held. Discussed were fund raising for the Center and future workshops. Richard Woodbury presented a workshop on making toys from household articles for Christmas.

This week we are visiting the Gem Shop for our field trip and we would like to thank Dianne Saunders for this special occasion. We would like to share this letter from one of our parents that was in our monthly newsletter.

My oldest daughter goes to Head Start and I have been volunteering my time in the classroom and in the kitchen. When I first started I couldn't understand how they ever got so many children in the same place to mind so well. So I started watching and listening to what they did, how they handled different situations with me and tried them. They really do work. I don't fight and argue as much any more with my children.

I am very pleased with the Center in a lot of ways, not only for what I have gained from the people who work there but also what they are doing for my daughter. I think it is a wonderful place for

IS A PHARMACY REALLY NEEDED IN BETHEL?

WE NEED YOUR HELP TO LET US KNOW WHAT YOU THINK.

An open letter to all Bethel Area residents:

For over three months, Prim's Rexall Pharmacy has been pleased to serve the Bethel area with professional prescription service. Yet, while our business is good in other parts of the store, it seems that many local people are still having their prescriptions filled out-of-town.

The time has now come. If you really want a pharmacy in Bethel, it is important that you come in and meet our friendly, professional staff, and compare our low prescription prices. We want to serve you, and we know that our prices are low.

So tell us what you're thinking this week, stop at Prim's.

Thank you.

VOLUNTEERS NEEDED FOR BETHEL'S ICE SKATING PROGRAM

Yes! The Recreation Committee has determined to see its ice skating rink this season. Many skaters are being right now but volunteers are needed. The rink runs approximately Christmas through February, about two months. And that means months of ice maintenance. Hi B individuals in the making. It involves spraying. Two groups of individuals are needed on an average weekly. Mike O'Donoghue is the ice with his help? Certainly B's sports enthusiasts come up with four teens to make this success! If you call Caroline Holden or Paul Judkins, please, don't wait!
